# 30-DAY SOCIAL MEDIA CONTENT PLAN

B2B Thought Leadership + B2C UGC / Peer Proof

**Digital Marketing Project 1**

Prepared by: **Sonia Hussain**

# PROJECT OBJECTIVE

## Strategic Vision & Dual Approach

"The objective is to create a 30-day social media content plan for **DecodeLabs** that builds B2B authority among TPOs and HR decision-makers while using student projects and peer proof to build trust among learners."

### APPROACH 01

## B2B Strategy

Problem-First Thought Leadership targeting Training & Placement Officers (TPOs) and HR Leaders.

### APPROACH 02

## B2C Strategy

UGC & Peer Proof leveraging student projects, progress, and testimonials to convert aspiring learners.

# TARGET AUDIENCE

## Four Key Persona Segments

**01**

### TPOs

Training & placement decision-makers focused on student employability.

**02**

### HR Managers

Responsible for corporate employee learning, development, and upskilling ROI.

**03**

### Students

University students and fresh graduates seeking job-ready digital skills.

**04**

### Learner Community

Existing learners and active alumni driving community advocacy.

# OUR TWO CONTENT PILLARS

## Structured Content Architecture

### PILLAR 01

## Problem-First Thought Leadership

Target: TPOs / HR Decision Makers

- ✓ LMS Operational Problems
- ✓ Corporate Training Engagement
- ✓ Progress Reporting & Analytics
- ✓ Industry Skill Gaps & Training ROI

### PILLAR 02

## UGC & Peer Proof

Target: Students & Fresh Graduates

- ✓ Real Practical Projects
- ✓ Inspiring Student Journeys
- ✓ Verified Learner Testimonials
- ✓ Assignments & Progress Showcases

# B2B: PROBLEM-FIRST THOUGHT LEADERSHIP

Addressing Core Pain Points of B2B Buyers

*"Your employees completed the training. But did they actually learn?"*

## LOW ENGAGEMENT

Employees quickly lose interest in static online training modules.

## MANUAL REPORTING

HR teams spend too much manual effort tracking progress.

## WEAK ROI VISIBILITY

Course completion doesn't always translate to business impact.

## SKILL GAPS

Organizations discover critical competency gaps too late.

# B2C: UGC & PEER PROOF

Building Trust & Desire Through Authenticity

## REAL PROJECTS

Showcase live industry projects that students actually build.

## STUDENT STORIES

Share inspiring learning journeys and career breakthroughs.

## TESTIMONIALS

Let learners explain their authentic transformation experience.

## PROGRESS

Highlight Before → After skill level growth transparently.
